Remanufacturing Service for Pitch Control Valves, Pumps and Rotary Unions

Paragon offers remanufacturing of proportional valves, radial piston pumps, and rotary unions back to *OEM specifications*. Valves, pumps, and unions can be repaired on an as-needed basis, or on a planned maintenance schedule with predetermined pricing based on projected part consumption. All proportional valves, radial piston pumps and rotary unions components are repaired and tested to OEM specification. Paragon also provides *upgraded component modifications* on some units.

- *No charge evaluations*
- *12 month in-service warranty*
- *Expedite services available*
- *Upgraded component renovations*
- *Detailed repair reports*
- *OEM replacement parts*
- *Customer Web portal*
- *Factory trained professional technicians*
